Applicant, through his attorneys, hereby notifies the United States Patent and Trademark Office of a change in status resulting in a loss of small entity status in the above-referenced application. The undersigned became aware of the change in status after the 8th year maintenance fee for the above-identified application was paid as a small entity, and accordingly the payment of such fee as small entity was unintentional. Additionally, the delay in paying such deficient is entirely unintentional.

Please debit Deposit Account No. 50-5775 in the amount of \$1,670.00 which is believed (as per communications with the Office) to be payment in full of all large entity fees resulting from the payment of the August 6, 2008, 8th year maintenance fee as small entity on the above-identified U.S. Patent. If, however, the Office determines that additional fees are due, authorization is hereby granted to charge such additional fees to the above-identified Deposit Account.

Respectfully submitted,

STRATEGEMIP LTD.
